## RecycleNet Sponsors Beijing E-Scrap Conference

### International E-Scrap Recycling Technology Conference & Expo

The International E-Scrap Recycling and Technology Conference with exhibition and trade show was held at the Fragrant Hill Hotel in Beijing, China from November 20-22, 2007. The conference was organized by China Household Electric Appliances Association in cooperation with international institutions, such as Germany Recycling Resources Association, Japan Electric and Electronic Appliance Association, Taiwan Recycling Resources Association, and the Environment Protection and Resources Conservation Committee of the National People's Congress.

The principal objective of this event was to serve the interests of consumers, suppliers, and recyclers of electric and electronic products and create a platform for sharing information and develop business opportunities with regard to E-Scrap collection, recycling, technology, legislation and international trade. RecycleNet was pleased to be a sponsor of this event.

## **RecycleNet Launches New "Pay Per Lead Referral Service"**

In the last quarter of 2007, RecycleNet Corporation launched its new "Pay Per Lead (PPL)" service.

The Pay Per Lead service is user-friendly, providing the client with the flexibility of purchasing only the sales or information leads that they want, when they want it. The service matches buyers or consumers of specific materials/items with sellers or producers of the materials/items.

The RecycleNet network of websites operates 24 hours a day, 7 days a week and attracts qualified sales leads, buy/sell/trade submissions and reply type leads. The Pay Per Lead service is an effective and secure system that allows the client to quickly filter through the leads and easily buy just the information they are interested in.
